For more information or to sign up for a certain location ahead of time you can go to the S.A.G.E. website, www.abingtonsage.com, or you can call Dan at 339-788-7054.

If you don't sign up ahead of time and come down on Saturday or Sunday the meeting area will be at

Abington Police Station, 215 Central Street

If you've been wondering what to do with that old broken TV, computer monitor or appliance now that you have replaced it, we want to help you. Along with the clean up we are working with CRTR Brockton. You can bring them down and recycle them. There will be a truck at the Police Station to receive your items.

For a list of what will be taken see the back of this flyer.
